

Childrens Books - Synopsis

Essie Wants an Education

Essie wonders what it would be like to go to school. Her parents tell her school will be useless in the squirrel world. She convinces them to let her go but some human parents are not happy about a squirrel being in school with their children. There might be diseases and squirrels are supposed to be dumb. *Essie Wants An Education* is the story of a squirrel who won't give up on her dream. She wants an education and when she finally goes to school, she discovers an important road safety lesson that changes the squirrel world forever.

Don't Take Raja to School

Jade is in kindergarten. She's seen her share of changes like seeing her parents getting divorced and moving to new country. Raja her stuffed tiger helps her feel safe. He's her best friend and he comes alive at night and chases the monsters and bad dreams away. Jade and Raja are inseparable and everyone tells her not to take Raja to school. One day Jade decides to take Raja to school and forgets him there. When she returns to school the next day, he's gone. Jade has to face the fact that Raja is gone forever. *Don't Take Raja to School* is the incredulous and true love story of Jade and Raja. Jade never stops looking for Raja from kindergarten to grade six, until one day, as she's about to give up and let him go, a miracle happens.

Juliet Malevolent - An Evil Tale

Juliet has a serious problem: she's different from everyone else in her world. She's good but supposed to be bad. She lives in an upside down inside out world where bad is good and good is bad. Whether at home or in her kinderevilgarten class, Juliet's goodness makes her different. She wants to be good and kind. Will badness change her or will goodness change them?

Is Reine Still Sleeping

Liam adores his big sister Reine. She plays with him all the time. Now that she's a teenager, something has changed. She wants to go out with her friends. She eats and sleeps a lot, and worse is that she never has time for her little brother anymore. Liam tries to get her attention with antics that make Reine angry and embarrassed. Liam is left saying 'you don't love me anymore. Reine decides to make some changes of her own and promises to spend more time with her little brother. Is Reine Still Sleeping is a heartwarming story of change, family and love.

Where Are Meadow's Manners

Meadow wakes up one morning in a bad mood. She is mean to everyone in her family, so her parents ask if she's lost her manners. *Please* and *thank you* have completely disappeared. The family embarks on a journey through the summer garden to find Meadow's manners, asking the creatures who live in the garden "have you seen Meadow's Manners". At the end of the day, Meadow finds her manners and realizes she's had her manners all along. This story is a reminder that we all have manners but sometime we forget to use them.

Liam and the Lizard

Liam goes on vacation and discovers he loves lizards and wants to take one back home. He soon realizes it's not as easy as he thinks and he hatches a plan to make this possible. Follow Liam on his journey of chaos and excitement as passengers on a plane scramble to find his lost pet. Liam learns that sometimes it's better to leave things in their natural habitat where they will be happy and survive best.
